Samantha’s Support (Script Reconstructed)

(Yesterday as of writing this, I was looking for the lost video “Samantha’s Support” created by AS02/TechnoGlitch. While the video is still lost for now, it appears the automatic captions were archived, specifically on This Site. This document is a reconstructed version of the captions into a script. I DO NOT SUPPORT AS02/TECHNOGLITCH, this was simply created for archival purposes only. Please be aware that this contains mentions of Childhood Abuse and Child Sexual Assault, please stop reading beyond this point if you’re sensitive to that. - Caillou’s Wrapper Studio)

TG/AS02: Well damn, has it really been this long 5 months since I uploaded to the main channel? I guess time really does go by fast. Anyways, yes I know I haven't made any videos on this channel in a few months. Things have not really been going to plan recently, but nevertheless in case anyone's curious at the end of this video, which has been one of my anticipated I'll be at hardest videos to date.

I will explain what has been going on and why I haven't really been able to get any videos out this summer. So be sure to stick around till the end of the video for that, but in the meantime enjoy the video!

(Shot inside Samantha’s room with Samantha sitting on her bed. Samantha’s Mother, Lisa knocks on her bedroom door)

Samantha: Um, come in!

(Lisa opens the door)

Samantha: Oh, Hi Mom. What happened?

Lisa: Well. Sage and his friends are here for you. You can tell them about what you had to go
through as a child, okay?

Samantha: Okay. However, I need a few seconds, or even minutes before I come down downstairs to fully collect myself.

Lisa: It's okay sweetie, take all the time you need. We will get through this together.

Samantha: Okay Mom. I believe we can do this.

Lisa: That's my girl! Come downstairs whenever you're ready.

Samantha: Okay. Well I am just glad that Sage and his friends came through for me. I hope things go well, but I need a minute or so before I'm ready.

(Time jump(?))

Samantha: Well, I guess it's time.

(Samantha walks outside her bedroom, walking to the living room with Lisa and Gerald waiting with Sage, Abigail, Vincent, Ruby, Stephanie, Michael, Luke, Lucy, Victoria and Catherine)

Samantha: Oh, hello guys.

Sage: Hello Samantha. We heard about everything that happened to you after getting disowned.

Abigail: We feel bad for you, and we are glad that you are out of prison and back into your family.

Vincent: We didn't know that your father would ever go this far, and what's worse is that Sage mentioned to us that your father has been abusive to you during your childhood.

Samantha: Yes, that is true, and now I must tell you the specifics of my abusive past.

Ruby: Yes, please tell us what happened. We are here for you.

Samantha: Okay, here I go…

Samantha: Nevermind, I can't do it.

(Lisa walks over to Samantha)

Lisa: There there. I understand this is difficult, but it's best to tell your story about your abusive childhood. You can do this, just take some deep breaths.

Samantha: Okay, I think I am able to keep myself together, at least for now.

Lisa: Okay, that's good.

Micheal: Damn, she looks incredibly traumatized.

Luke: Yeah, this is already heartbreaking to listen to.

Samantha: I'm sorry about that guys. I just have PTSD from the trauma I had from my father, but anyways, I will now tell you about my abusive past. So here I go.

Samantha: So my father had basically been abusive to me for most of my life. It all started at a very young age and it has affected me in ways that left me traumatized.

Samantha: He would abuse me in awful and inhumane ways. Every time I caused trouble he would not only give me belt beatings, but he gave me beatings that were much, much, much worse.

Samantha: There were times where he would beat me with a baseball bat, as well as a wooden cutting board. It was so awful and traumatizing, and he threatened my mom every time she interfered.

Stephanie: What?! How did your dad threaten your mom?

Samantha: Well basically every time she intervened, my dad would threaten to beat her, occasionally kill her and other terrible things as well.

Victoria: What?! Are you serious? He actually said that?

Lisa: Yes, he did all of that, and I don't know if I ever told you this but after you got disowned he threatened to shoot me if I didn't sign the disownment papers.

Samantha: What?! I don't think you ever told me about that. He did that to you?

Lisa: Yes, he did.

Samantha: Oh my god! oh my god no!

Lucy: Your father is an actual psychopath, my god.

Sage: So he was a deranged psycho this whole time he was the reason you acted up all those months.

Abigail: This is just horrible to hear. We are all absolutely sorry that this all happened to you. We really want to do everything we can to help you.

Vincent: Yeah we want to do everything we can to help you.

Samantha: Thank you guys, I appreciate it a lot, but first there is one more thing I need to tell
you about my dad, and it is possibly the worst thing he has done to me.

Ruby: What? What was the worst thing he has done to you? Tell us.

Samantha: I will tell you, but it won't be easy. So, here I go.

(This track starts playing)

Samantha: One day, when I was 13 years old, I was taking a nap in my bedroom, but then I heard my father come inside my bedroom and then he got in bed.

Samantha: I told him to get out of my bed so I could sleep, but he didn't listen to me, and then after that, he took off my clothes and then he raped me. It was awful, my mom tried to
stop him but then knocked her out with a brick.

Samantha: I tried to escape, but I couldn't. He forced me onto the bed and prevented
me from escaping. it was...

(Samantha starts crying again, most likely using a crying sound effect?)

Samantha: Horrible.

Stephanie: What the?! He actually did that to you? I can't believe this. He is an actual monster.

Michael: What?! you can't be serious. This is just awful. I feel bad for you Samantha, I really do

Victoria: I am so sorry Samantha, I am sorry you had to go through all this. We didn't know about what you went through.This is just terrible.

Samantha: Thank you Victoria, thank you so much.

Luke: I don't know what to say, this is just heartbreaking.

Lucy: What?! I just can't believe she went through all of this. Her father even went as far as to sexually assault her, we feel incredibly bad for you Samantha.

Catherine: So this is what caused you to be so troublesome for you all those months? We didn't know that he abused you like this we should have tried to understand you. We are sorry.

Samantha: It's okay guys, you did nothing wrong. I should have been more open to you guys on my past. This is all my fault.

Sage: Don't say that it is your fault Samantha because it is not. You don't deserve to go through this abuse that your father gave you.

Samantha: That is true, I don't deserve any abuse from my father, but at the same time I feel ashamed for my actions towards you. I guess what I am trying to say is I am so sorry for how I have treated you all in the past. I never meant to do any of the things I did such as assaulting Victoria and Catherine.

Samantha: It is fine if you don't forgive me, but all I ask is that you at least take one thing
into consideration. I am willing to change and become a better person from here on out.

Abigail: It's okay Samantha we forgive you.

Vincent: Yeah, and as long as you are willing to improve we can put this whole fiasco behind us once, and for all we are willing to give you a second chance Samantha, a chance for redemption.

Ruby: Yeah, and no matter what it takes, we'll continuously support you through tough times.

Samantha: Thank you guys so much. You have no idea how much it means to me after opening up about my past. You guys are willing to forgive me, give me a chance to improve and show me an overwhelming amount of support. You guys are honestly so kind.

Victoria: And Samantha, I have something I would like to say myself. I am so so so sorry for beating you up just because you flirted with my boyfriend, along with when me and my friends beat you up for revenge when you assaulted me with a bat. It doesn't matter what you did to us, it wasn't right for us to retaliate against you the way we did, and we promise to never do it again.

Catherine: I agree, from this day going forward, we promise to treat you with kindness. Do you forgive us?

Samantha: Yes, I forgive you all the way.

Victoria: Thank you Samantha, you are the best.

Sage: Hey Samantha, we want to ask you one more thing. Would you like to be our friend?

Samantha: Wait, really? you guys would do that for me?

Abigail: We would. I mean, you seem like a good person. After all, we want to help, even if you still cause trouble from time to time, we would still love and care about you.

Sage: I agree. So Samantha, will you accept our offer?

Samantha: Yes! I will accept your offer. I would like to be friends with you guys, and that also goes for your other friends and acquaintances.

Ruby: Oh you're so sweet you!

Samantha: Oh, one more thing I almost forgot to mention. I am now cutting all ties with the Tripp gang. I don't want to be associated with them anymore, they sent me down a path I wholeheartedly regret going down.

Vincent: That's good we are proud of you Samantha. Be your own person don't let anyone try to control your life.

Samantha: I won't, that is a mistake I will never make again.

Gerald: That's good we love you Samantha.

Samantha: I love you guys too!

Lisa: We are proud of you Samantha, we really are. You have potential for a bright future.

(Time skip, new scene(?))

Taylor: So, when do you want to get lunch, I was thinking maybe we could go to McDonald's.

Dustin: I can't wait to get Whopper from McDonald's today!

Taylor: They don’t serve Whoppers at McDonald's.

Dustin: That's the place that serves them alright. McDonald's serves Whoppers, right Dominic?

Dominic: Have you seriously never been to McDonald's before? they don't serve Whoppers, Burger King sells them.

Taylor: Alright, then let's go to Burger King.

Dominic: Oh god no, not that disgusting restaurant. Burger King is mid at best, and abhorrent at worst.

Taylor: Oh, I think we can make a compromise on which restaurant to go to.

Penelope: Domino's Pizza.

Dominic: Yeah, I can do that! at least it's not Burger King.

Taylor: Me too!

Dominic: Sounds good! I will get me some delicious pineapple pizza!

Taylor: Okay and now my appetite for pizza is ruined.

Dustin: Really Dominic? Why of all toppings would you choose pineapples? Pineapple should never go on pizza, just the thought of it makes me sick to my stomach.

Taylor: Agreed. Anyways, I've been meaning to tell you this, but Ruby told me about all the horrible abuse Samantha has endured from her father.

Dominic: Wait, she was abused? Oh my gosh that is awful.

Dustin: What kind of abuse did Samantha receive from her father?

Taylor: Well, here is what Ruby told me.

(Time jump(?))

Dominic: What?! Are you serious? She went through all that?

Penelope: Oh my God. Poor Samantha, I feel bad for her.

Dustin: That was just horrible what she went through, especially the part where her father raped her.

Dominic: What a sick monster her father is. Not to mention the amount of brutal beating she has received, and then her father had the audacity to disown her and threatened to kill his wife and daughter. What a deranged monster!

Taylor: I know, right? It is horrible, heartbreaking and sickening to find out about all the horrible things Samantha's father did to her,and then he wants to wonder why she acts the way she does. You don't ever abuse your child regardless of how bad they act. Just no.

Taylor: Furthermore on all of this, Sage and most of his friends visited Samantha, heard about the abuse she endured, and then showed an overwhelming amount of support for her, which is really sweet of them.

Dominic: Alright. We unfortunately couldn't make it as we had family matters to attend to.

Dustin: Same here, I wish I would have made it there, but hopefully we will see Samantha sometime today.

Penelope: Oh look! I see Samantha coming this way!

Samantha: Oh hi guys. I take it you heard about everything, right?

Dominic: We sure did. We deeply apologize for not coming to your house when Sage and his friends arrived.

Samantha: No worries, you guys are fine.

Penelope: And we are so sorry about all the abuse your father gave to you. You should not have to get abused the way you did, that is not how you discipline your child!

Dustin: Yeah, you ground them and if that does nothing, you take them to therapy. You don't verbally or physically abuse or sexually assault your own child, but don't worry because me and the rest of our friends are here for you every step of the way.

Dominic: I agree with Dustin, we will be here for you!

Samantha: Thank you guys, it really means a lot to me. Also, I am deeply sorry for all the trouble I have caused you all. I am cutting ties with the Tripp gang and becoming a better person.

Taylor: Good, and your apology is accepted. We are glad you are improving and by the
way Samantha I have something to tell you.
Samantha: Oh really? Elaborate please.

Taylor: Well, Sage recently announced that his entire crew is splitting up into multiple separate groups. This is because there were way too many people in his crew. It got to the point where Sage lost track of his entire crew. So yeah, we are splitting into separate groups.

Taylor: The sage crew will now consist of sage himself, Vincent, Luke, Dominic, Dustin, Michael and some others too. As for us girls, we will get our own friend group called “The Rainbow Bow Girls”. So far, it consists of me, Abigail, Penelope, Ruby, Stephanie, Lucy Victoria and Serenity.

Taylor: That being said, we are missing a girl with a yellow bow. So Samantha, would you like to be a part of The Rainbow Bow Girls?

Samantha: Of course! You girls are so friendly, sweet and beautiful.

Taylor: Thank you, you are too kind! Also, Stephanie and Lucy will get new looks, while Ruby and Penelope will get minor changes mainly relating to bows. Ruby will get a green bow while Penelope will get her bow changed from scarlet to orange. Stephanie will get cyan and Lucy will get regular blue. As for Serenity, she will get a magenta bow. So how does this all sound?

Samantha: Sounds great! Thank you so much guys.

Taylor: You're welcome, now me, Dominic, Dustin and Penelope are going to Domino's Pizza, want to come with us?

Samantha: Of course I would like that a lot!

Dominic: I sure can't wait to get my hands on a pineapple pizza.

Dustin: Shut the fuck up about your shitty pineapple pizza Dominic!

Penelope: For real, I don't want to end up vomiting on the way to Domino's Pizza.

(Scene changes to a jail cell, with Samantha's Dad, Pierre in it, and Sage's father, Charles (maybe?) coming to the gate.)

Charles: Well well well. If it ain't the main man himself, Pierre Webster.

Pierre: Officer, please let me out! I am deeply sorry for what I did. I will never abuse my daughter like that again. all the prisoners have resented me, I have received multiple brutal beatings from all the prisoners, here it was unbearable. I am traumatized for life!

Charles: Too bad. Think about how traumatized Samantha was when you abused her for all those years, you sick and demented bastard. Anyways, I came here to tell you that you will have a court date, which will take place in late summer or early fall of this year. Until then you will remain in the cell, got it?
Pierre: Yes sir I got it.

Charles: Good.

(Scene changes to an elevator, music plays here, probably some shitty happy go lucky track that doesn't mesh with the video.)

TG/AS02: Oh hi, didn't see you there, but anyways I hope you all enjoyed Samantha's Support. It took a lot to get this video done. Now, why did this video take so long to get done you may ask? Well, it has to do with things I have mentioned in the past, such as college procrastination at times, a lack of motivation, especially procrastination.

Like for real, my procrastination for making this video has gotten so much worse it got to the point where I would work on the video for about 30 seconds to a minute and then just stop as far as the motivation goes. There were times where the video editor would lag like all hell because of how many characters were in a large majority of these scenes. I get that is to be expected due to Wrapper: Offline running on flash, but still it was really pushing my buttons.

Now I feel like I owe all of you an explanation as to why I haven't posted any videos on this channel in months. Well honestly, this summer for the most part has been boring and awful, it really brought down my mood. There were days where I would feel depressed because of it and this had unfortunately affected my motivation to make any videos on my main channel. However, I'm feeling much better now, so don't worry. In fact, I have plenty of things planned now that I have finally gotten this video off of my chest.

Remember this video I posted during the summer? Well, I still have plans to get the remaining five videos, out as well as

many more videos I have planned. Also, I feel that it is worth mentioning that the videos won't be released in this specific order. I will pick a video at random to make. Next off I have to get off at this floor, before I do be sure to like and subscribe! See you all in the next
video!
